

## 6.4. Edit Photoshoot Package Screen

### Edit Photoshoot Package Screen – Details

- ▶ The **Edit Photoshoot Package Screen** displays the necessary details to edit a package's details on the system.
- ▶ All photoshoot package details, and products and services are required to update a photoshoot package to the system.

### Edit Photoshoot Package Screen – Layout

The screenshot displays the 'Edit Photoshoot Package' window. It is divided into two main sections: 'Package Details' on the left and 'Add Services and Products' on the right. The 'Package Details' section includes a 'Name' field (labeled 2) with the value 'Family Shoot', a 'Description' field (labeled 3) with the text 'This package is for a family studio shoot', and a 'Total Price' field (labeled 4) showing 'R90,00'. The 'Services in Package' section (labeled 5) contains a table with columns 'Service Name' and 'Price'. It lists '1 Hour Photography' with a price of 'R50,00' and a 'Remove' button (labeled 6). The 'Products in Package' section (labeled 7) contains a table with columns 'Product Name', 'Quantity', and 'Price'. It lists 'A6 Photo' with a quantity of '4' and a price of 'R40,00', along with 'Add' (labeled 8) and 'Remove' (labeled 9) buttons. The 'Add Services and Products' section on the right has a 'Services' table (labeled 12) with '1 Hour Photography' at 'R50,00' and an 'Add' button (labeled 14). It also has a 'Products' table (labeled 15) with 'A6 Photo' at 'R10,00' and '10 Edited Photos' at 'R50,00', each with an 'Add' button (labeled 17). Search fields are present for both services (labeled 13) and products (labeled 16). At the bottom, there are 'Edit' (labeled 10) and 'OK' (labeled 11) buttons.
