View Product Type Screen - Layout

The screenshot shows a window titled "View Product Type" with a standard Windows title bar (minimize, maximize, close buttons). The window contains two main input areas. The first is labeled "Name :" and contains a text box with the value "Event". To the right of the text box is a blue number "1" and a green checkmark. The second is labeled "Description :" and contains a text area with the text "These products are only used for events". To the right of the text area is a green checkmark. At the bottom of the window, there are two buttons: "Edit" and "OK". The "Edit" button has a blue number "3" next to it, and the "OK" button has a blue number "4" next to it.

View Product Type Screen - Controls
