

## 2. EMPLOYEE SUB-SYSTEM

### View Employee Type

#### Screen Controls

#### View Employee Type Screen - Details

- ▶ The [View Employee Type Screen](#) is used to view an employee type to the system.

#### View Employee Type Screen - Layout

The screenshot shows a window titled "View Employee Type" with a standard Windows-style title bar (minimize, maximize, close buttons). The window contains the following elements:

- Name :** A text input field containing "Photographer". A blue number "1" is placed to the right of the field, and a green checkmark is to its right.
- Description :** A text area containing "Takes photos at events or photoshoots". A blue number "2" is placed to the right of the text area, and a green checkmark is to its right.
- Access Level :** A dropdown menu showing "1". A blue number "3" is placed to the right of the dropdown.
- Buttons:** At the bottom, there are two buttons: "Edit" (labeled with a blue number "4") and "OK" (labeled with a blue number "5").

#### View Employee Type Screen - Controls
